Potential Match Submission Form

This form is used to submit a potential match between a missing and unidentified person. Please fill in as much detail as possible to ensure that your potential match is given as complete an evaluation as possible.

Once considered, a decision will be made on whether to submit the match to the Police agencies with jurisdiction of the cases. Our goal is to provide police with only the strongest potential matches.

Circumstances

Describe the considerations that lead you to believe that the missing person is a match to the unidentified person. What additional descriptors (e.g. shape of face, spacing between eyes, shape of nose, healed fractures, matching jewelry, unique piercings, circumstances of disappearance, etc.) have you considered. Please include any additional sources of information which were consulted (e.g. newspaper articles, information on other websites, blogs, etc.).
